Washington State Podiatric Medical Association Annual Conference Sponsorship and Exhibitor Opportunities

This is your opportunity to capture the attention of podiatric physicians and others who will attend the conference and we are asking you to become a sponsor, exhibitor or both through supporting our educational program.

Each of the sponsorship opportunities provides an avenue for your company to be recognized as a valuable leader in the provision of products and services to podiatrists, health care professionals and their patients. As a sponsor, your company will be profiled prominently in a variety of ways, as outlined below.

Do not miss this exciting opportunity to display your products and services in front of the decision makers of the podiatry industry. This visibility is a way to maximize your company's exposure and level of sponsorship determines booth placement.
