To whom it may concern,

My name is Ryan Mayberry, I am currently in my last year of podiatry residency at the New Mexico Veterans Affairs Healthcare system in Albuquerque, New Mexico, where I will be finishing my training in June of 2022. I am writing this letter to express my interest in seeking a full-time podiatric job opportunity. I believe that I can be a great asset as a podiatrist and am excited at the opportunity to continue to learn more from my peers.

During my residency training, I have received extensive clinical and surgical experience, including performing surgery at the Veteran's hospital and at various other hospitals in the Albuquerque area, performing surgery with 20 different attendings, with an extensive variety of surgical experience including elective surgery, trauma, and limb salvage. As a resident I have had extensive experience with inpatient management both as a primary admitting team, and as a consulting service. Clinically I feel very well prepared by my residency training - I am comfortable seeing a high volume of patients with a wide variety of diagnoses including sports medicine, trauma, and diabetic foot and wound care. I have also had valuable leadership experience during my residency serving as Chief resident during my third year.

I have thoroughly enjoyed all facets of my podiatric training thus far. I pride myself on my bedside manner and good rapport with patients, my ability to be empathetic and compassionate, my ability to get along with my coworkers, and my desire to continue learning after residency. Overall, I feel that my training has equipped me well to transition from residency to a full-time podiatrist and surgeon.

As of the time of writing this, I have finished with my surgical numbers, have passed APMLE Boards Parts I-III, and will be taking my ABFAS boards in the spring.

Thank you for your consideration, I hope to hear from you soon. I have attached my Curriculum Vitae and contact information - if you have any questions, I would be happy to answer them.

A handwritten signature in black ink, appearing to read "Ryan Mayberry". The signature is stylized and cursive, with the first name "Ryan" and last name "Mayberry" clearly distinguishable.
